EXPERIENCE

State of Utah, Salt Lake City — *Eligibility Specialist*

January 2019 - PRESENT

Process applications for public assistance programs like SNAP and Medicaid. Worked within existing policy and adapted as policies changed.

Lexington Law Firm, North Salt Lake — *Development Coach*

May 2016 - December 2018

Worked collaboratively with other coaches to analyze agent trends and write coaching regimens based on needs determined from those trends.

University of Utah, Salt Lake City — *Research Associate*

August 2015 - July 2016

Worked on my own and in a research group to develop and maintain lab procedures and protocol.

EDUCATION

University of Utah, Salt Lake City — *Coding Bootcamp Certificate*

Nov 2019 - PRESENT

Learning the ins and outs of website development, with a heavy focus in JavaScript frameworks, HTML, and CSS coding languages.

University of Utah, Salt Lake City — *Bachelor's in Health, Society and Policy*

MONTH 2014 - May 2018

Learned how laws and policy affect a population's health outcomes.

PROJECTS

Soggy Bottom Streaming

Search — <https://tuckerv.github.io/soggybottomboys-project1/>

After working with two other new developers I'm really proud of the final product that we put together.

SKILLS

JavaScript knowledge, including JQuery and Node.JS.

HTML and CSS proficiency using the Bootstrap and Bulma Frameworks.

Git and VS Code

Responsive web design
